How does each of the following statements make you feel about the outcome of the November 2020 election?

-Election rules were set well in advance of the November 2020 election. Also, well before the election, the presidential candidates had the chance to challenge the rules, with each side winning some and losing some.

How does each of the following statements make you feel about the outcome of the November 2020 election?

-There were more paper ballots used and post-election audits conducted during the 2020 election than in 2016 or ever before, including in every swing state. This increase in paper ballots and post-election audits helped make the 2020 election more secure than the 2016 election.

How does each of the following statements make you feel about the outcome of the November 2020 election?

-For a conspiracy to have delivered the election to Biden by 7 million votes, thousands of Americans would need to be involved, half of them Republicans. However, so far no one involved in such a conspiracy has said anything about it.
